Santa Clara County has assigned a Multi-Departmental Joint Operations team to manage all shelter and temporary housing resources during the Shelter-In-Place Order due to the COVID19 Crisis.

Please call the Crisis Line for assistance. You will be routed to one of the Joint Operations Center team members to let you know what housing support options may be available to you. Callers will be prompted to leave a message if all the lines are busy.

Staff is available for housing assessment and referral 9am-6pm, 7 days a week. If calling after hours, please leave a message with contact information and team member will return your call.

Program participants must be willing to be assessed for symptoms of COVID-19 upon admission to any programs, shelters or temporary placements.
